

Ronald Nyami

Mitterand Tchoumbun

Education

- Master, Decision Support and Business Intelligence DSBI / IT4BI,** 2014–2015
École Centrale Paris (France), *Big Data Analytic, Innovation & Research, Data Mining & Machine Learning, Decision modeling, Visual Analytic, Semantic web.*
- Master, Information Technologies for Business Intelligence IT4BI,** 2013–20145
Université Libre de Bruxelles (Belgium), *Business Process Management, Decision Engineering, Advanced Databases, Database Systems Architecture, Advanced Data Warehousing, Information Retrieval, Knowledge Discovery & Data Mining, Semantic Web Technologies, Business Intelligence.*
- Master I, Computer Engineering,** 2012–2013
Politecnico di Torino (Italy), *Advanced Databases, Software Engineering, Distributed Programming.*
- Bachelor, Electronic and Computer Engineering ECE,** Politecnico di Torino (Italy), 2009–2012
Advanced programming, Advanced Databases, Probability, Statistics, Mathematics, Signal Theory, Managerial Economics for engineers.

Experience

- BNP Paribas , Bank (Paris, France),** Data Scientist/BI Intern (6 months: March - August): 2015
big data integration and analytics for performance, security, reliability, scalability and availability optimization, Real time log analysis in a banking distributed computing system supporting the website, Anomaly detection implementation based on customized clustering algorithms.
- iPhoneDeveloper (Turin, Italy),** 2014
Analyst Intern (2 months: July - August): iOS application development for a recommendation system with machine learning algorithms.
- Clirap, Language School (Italy & Cameroon),** 2004- 2009
Website development(J2EE), Data warehouse design and administration for Students records with Dreamweaver(PHP), Microsoft SQL, SSIS and SSRS.

Awards

2013: IT4BI Erasmus Mundus Scholarship

Computer skills

Programming skills: Java & J2EE, Python, C, R, Julia, Matlab, SAS: Advanced.

Modeling: UML, Merise

OS: Windows, Linux, AIX, OsX, Android, iOS

Frameworks: Hadoop & Map Reduce, Spark, SolR & ElasticSearch, LogStash, Kibana.

Other: PHP, HTML, CSS.

SAP, C#, .NET: Basic

Database: SQL, Oracle, NoSQL, MySQL.

tools: SPSS, SAS, Tableau, Excel, Cognos, Pentaho, Talend

Languages

French: Mother tongue, English: Advanced, Italian: Advanced, German: Basic.

Other

Seminar: European Business Intelligence Summer School (eBISS) Berlin 2014.
Innovation and Creativity MIP/ Politecnico di Milano 2012.

Interests: Football (weekly practice routine).
